REAL PROPERTY TAX
COLLECTION OF REAL PROPERTY TAX

Owners of lots, buildings and machineries have to pay Real Property Taxes annually. Taxes are a percentage of the property's taxable value.
Taxable value is computed by multiplying a land or building's Fair Market Value (FMV) to its Assessment Level. Both the FMV and the assessment level are based on an ordinance passed by the Sangguniang Panlalawigan.
Real Property Tax payments are made to the Municipal Treasurer's Office. Taxpayers may choose to pay on an annual or quarterly basis. Discounts are given to those who pay in advance.

COLLECTION OF WATER BILL

This service involves the collection of monthly water consumption payments from concessionaires of the Mabini Waterworks System. Payments are made based on the actual water usage recorded through installed water meters and are billed in accordance with approved municipal rates and policies.
The collection process is facilitated by the designated municipal office, ensuring accurate billing, proper recording of payments, and issuance of official receipts for all transactions.
This service supports the continuous operation, maintenance, and improvement of the municipal water supply system.
